

SAFETY (Part 1)

- Welcome to White Lake Speedway.
- Track rules, no bumping no weaving no reckless driving.
- Please stay off the side rails.
- If you have a problem with your kart, remain seated with your hands in the air. We'll come and assist you.
- If you see us on the track assisting other drivers, SLOW DOWN & DRIVE WITH CAUTION!
- At the end of the ride we'll flag you in. Switch pedals and come in slowly, single file with your left foot on the red brake pedal.
- The gas pedal is on the right it's green.
- Keep both hands on the wheel and feet in your kart at all times.
- And remember to remain seated at the end of each ride until all karts are parked!
- (Wait & watch, we'll tell you WHEN it's OK to exit!)

PHOTO STUFF (Part 2)

- Don't forget, we have cameras on the track.
- If you want to get a "speedway selfie": Find and follow the track line down by the middle pole as you head back up the hill.
- We're down there guiding you & ringing the bell when we think you've got a great photo.
