Cross Training for Everyone!

- **Laser Tag Marshaling:** Run multi-game sessions of laser tag. Fun/indoors & air-conditioned!
- **Pit-Crew:** NEW GO-KARTS handle like Corvettes. But running the pit means you’re in control. Remote control that is!
- **Go-Kart Safety Checks:** Drive/test and help perform minor maintenance. (We leave the big stuff to the pros!)
- **PC-Gaming & Bowling Supervision:** Think bowling & go-karting isn’t high tech? Think again! Between ticketing/E-Sports/Pit-Control & the control counter, you’ll be surrounded in a high-tech service oriented environment!
- **Park/Golf Course Supervision:** OK, this ones not “high tech” but customers & the course still needs support too!
- **Safety is Job #1!** Customer service comes in #2 with efficiency a close #3.
- **Employee Integration:** Online scheduling (smart phone) & automated payroll literally “plugs you in” to daily business operations! **Join us, build skills & and experience how a well run business operates with good teamwork!**
